Description: / คำอธิบาย

The institute of Language Art and Culture is the administrative structure officially approved by the university council in response to the social needs and changes. It is one of the main buildings in the campus of Sisaket Rajabhat University. The institute has a mission to develop the language center to be more efficient, coordinating different departments with the aim to develop the language skills for students, personnel and general public, preserving arts and cultures, disseminating, preserving, continuing and promoting the works related to arts and cultures and local wisdom based on a cultural diversity. In 2023-24, the institute organized many cultural activities for both national and international. Moreover, the institute has different exhibition rooms within Art and Culture Center, Sisaket Rajabhat University as well.
